RE: **Rewa Galaxy Youth League 2015 – Western Zone**

Please note that your association is required to attend the following for National Youth League 2015 that will commence on 06 June 2015

1. Registration of Players

Players participating in the National Youth League 2015 will only be eligible provided they are registered three (3) clear days by districts prior to commencement of their league matches. Official forms are attached. Please fill each and every detail as requested in the form such as proper names, valid license numbers, last district played, clearance date etc. All registrations should be forwarded on the prescribed registration form attached.

2. Mode of Competition

This season the Youth League will be played in U18 grade and the competition will involve both Premier and Senior Division teams playing each other on zonal basis as follows:

Western Zone

Nadroga, Nadi, Lautoka, Ba

Shortly I will send the regulations for the competition with detailed mode of competition, qualifying criteria etc.

3. Age Requirements

Anyone under the age of 18 years can play in this year's youth competition or players born in 1997 and after (1998, 1999 etc.) can play in the League. This new initiative is part of long term development strategy for Fiji FA Technical Team for selection of age group teams for regional competition from next season and we need full supports from our affiliated districts to achieve this

4. Match/Ground Bookings etc

Districts Associations are responsible for all the ground bookings and match arrangements like Ball Kids, Referees Payment, Security etc. Also the host districts are to ensure all arrangements in the ground (markings etc) which will be checked by appointed referees.

5. Team List

Team list/slips for league matches will be forwarded to districts in due course.

Please do not hesitate to contact this office for any further clarification on ffacompetitions@gmail.com

Your cooperation and support for smooth running of National Youth League 2015 will be very much appreciated.

Yours sincerely

A Pal
